Admissions Policy

Century Community Charter School (CCCS) seeks students whose strong ability, performance and promise suggest they will thrive in the school's challenging academic environment and who will contribute to the life of the school in a variety of areas, including the arts, athletics, leadership and service. Our students' families are expected to embrace the school's mission statement, policies, and procedures.

Students admitted to Century Community Charter School are admitted through our lottery held in April. Prior to the lottery, every family must fill out an application.

Century Community Charter School does not discriminate on the basis of race, color, religion, sex, national origin, age or disability in its educational programs.

In all cases, the school retains the right to determine, based upon our charter, and the parent/school contract signed by each family whether or not to re-enroll a student. The Century Community Charter School Principal and Assistant Principal, within the confines of its charter, makes final decisions under the overall supervision of the School Board.
