The screenshot shows the website for Century Community Charter School. At the top left is the school's logo, which features a bear's head inside a circular emblem with the text "C.C.C.S. Century Community Charter School" below it. To the right of the logo is a search bar with the text "Add text" and social media icons for Facebook, Twitter, and YouTube. Below the search bar is a navigation menu with the following items: Home, School Board, Extracurricular, Better Bear Program (BBP), Bear Life, Parent Resources, and Staff. The main content area displays a grid of six photographs: a student operating a camera on a tripod, a large group of students posing in front of a traditional Chinese building, two students making peace signs, a group of students in yellow shirts participating in an outdoor activity, a group of students in purple shirts posing together, and students working at a table with a "Venus" project.
